

Registering with ParksVic

<https://www.parkconnect.vic.gov.au/Account/Login/Register>

Registering provides a way to enter your contact details, emergency contact details and other odds ends which had to be done manually at the start of the activity. Possibly a bit too much information needs to be given when all one is doing is tidying up a track. It is required.

No Yes

Enter all the details they require. Somewhere or other they will send you an email to confirm that your email address hasn't been used without your permission.

Working with children check

Parks Vic requires all its volunteers to have a Working with children check despite many people/organisations/Bushwalking Victoria repeatedly suggesting that it is totally unnecessary for track maintenance activities and indeed in counterproductive for such activities.

If you haven't a Working with children check the other button on the forms page gives you the necessary steps. The check is free for volunteers but **only applies for the organisations whose details you give.**

If you have successfully passed a Working with children check you will need to add the following information to your working with children profile at the Working with children site.

11. What details do I use for Parks Victoria on my WWCC application?

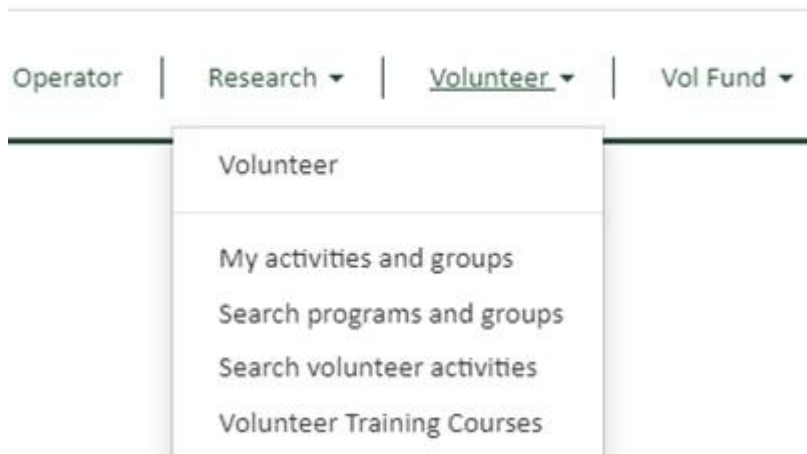

Please use the following address and phone number for Parks Victoria on your WWCC application, or if you have an existing WWCC, please ensure that you update your details to the following address and phone number:

Parks Victoria
Level 10/535 Bourke Street
Melbourne VIC 3000
Phone: 03 8627 46998

In the section that asks for occupation fields and type, please use the exact information below to complete your application:

Occupational field = 52
Occupational type = Volunteer

Join the Grampians Walking Tracks Support Group

Click on Volunteer at the top of the page and then Search programs and groups. Entering Grampians for the park name seems the quickest way to find: **Grampians Walking Tracks Support Group** .

Click on the down arrow to join.
